notes and discussion

**Task:** The > Art of Explanation< showcases the efforts of visual journalists as they help readers find clarity. This is a place to share ideas and processes to improve the credibility and necessity of information graphics.

Study the Infographics, and try to classify:

Narratives  
Instructives  
Exploratives  
Simulatives

Also look at the interviews:  
• How did the idea for the graphic develop?  
• How was it researched?  
• Who worked on the graphic?

Be prepared to discuss your impressions.

**Have fun!**
