**Task:** Personal annual report

Your task is to develop your personal annual report including the data as infographic diagrams. In the report you should present a set of information about different personal activities, e.g. travel, food, music & photography, use of elevators, ... over the period for a certain time (e.g. this course, one month, 1 year, your lifetime, ... ).

When starting to create your personal annual report think about data visualization and visual design as well as information aesthetics.

Beside the final file including the infographs set a sketch book to show as well your steps of developing your icons, colour range, typeface, pictures (your styleguide)

Intermediate presentation of your ideas: **15.02.2010** (showing your intermediate steps of developing your icons, colour range, typeface, pictures {your styleguide})
